Welcome to Regional Health. We look forward to having you as part of our team. Below is a checklist of required online training that needs to be completed before performing work at any Regional Health Facility.

**Instructions:**

1. Please go to [regionalhealth.org/orientation](http://regionalhealth.org/orientation) (please see the Provider Orientation Section) to view the video presentations. The required courses are listed below.
2. You will need a computer with sound. If you don't have access to a computer with sound, please contact your Regional Health representative. *We request that you complete the videos prior to your appointment with your Regional Health Representative.*
3. At the end of each video you will see a confirmation number. Please print the confirmation number below next to the course title.
4. After you have completed the required courses and the necessary paperwork, please sign the form at the bottom of the page. Please bring these printed documents with you to your scheduled orientation with Medical Staff Services to verify that you completed the training presentations.
5. If you have any problems completing the video(s) or have any questions, please contact your Regional Health Representative.
