HONORING NURSES INTERNATIONALLY  
IN MEMORY OF J. PATRICK BARNES

## Want to Say Thank You To Your Nurse? Share *Your* Story!

The DAISY (Diseases Attacking the Immune System) Award is an international recognition program that honors and celebrates the skillful, compassionate care nurses provide every day. The DAISY Foundation was established by the family of J. Patrick Barnes after he died from complications of the auto-immune disease ITP in 1999. During his hospitalization, they deeply appreciated the care and compassion shown to Patrick and his entire family. When he died, they felt compelled to say “thank you” to nurses in a very public way. Please say thank you by sharing your story of how a nurse made a difference you will never forget!

I would like to thank this nurse and share my story of extraordinary patient care and why this nurse is so special:
