

# NEW CANCER CARE INSTITUTE

PHASE 1 COMPLETE, OPENS JULY 12, 2022

**With the completion of Phase 1,** Phase 2 construction of the New Cancer Care Institute has begun, which includes remodeling the current Cancer Care Institute space. Completion is scheduled for summer 2023.

**During phase 2 of construction, some appointments will need to take place in other locations within Monument Health Rapid City Hospital.**

Patients will either enter through the new Cancer Care Entrance or the Fifth Street Entrance, depending on the appointment type.

We apologize for any inconvenience!

**For assistance with locating your appointment, please call 605-755-2300.**

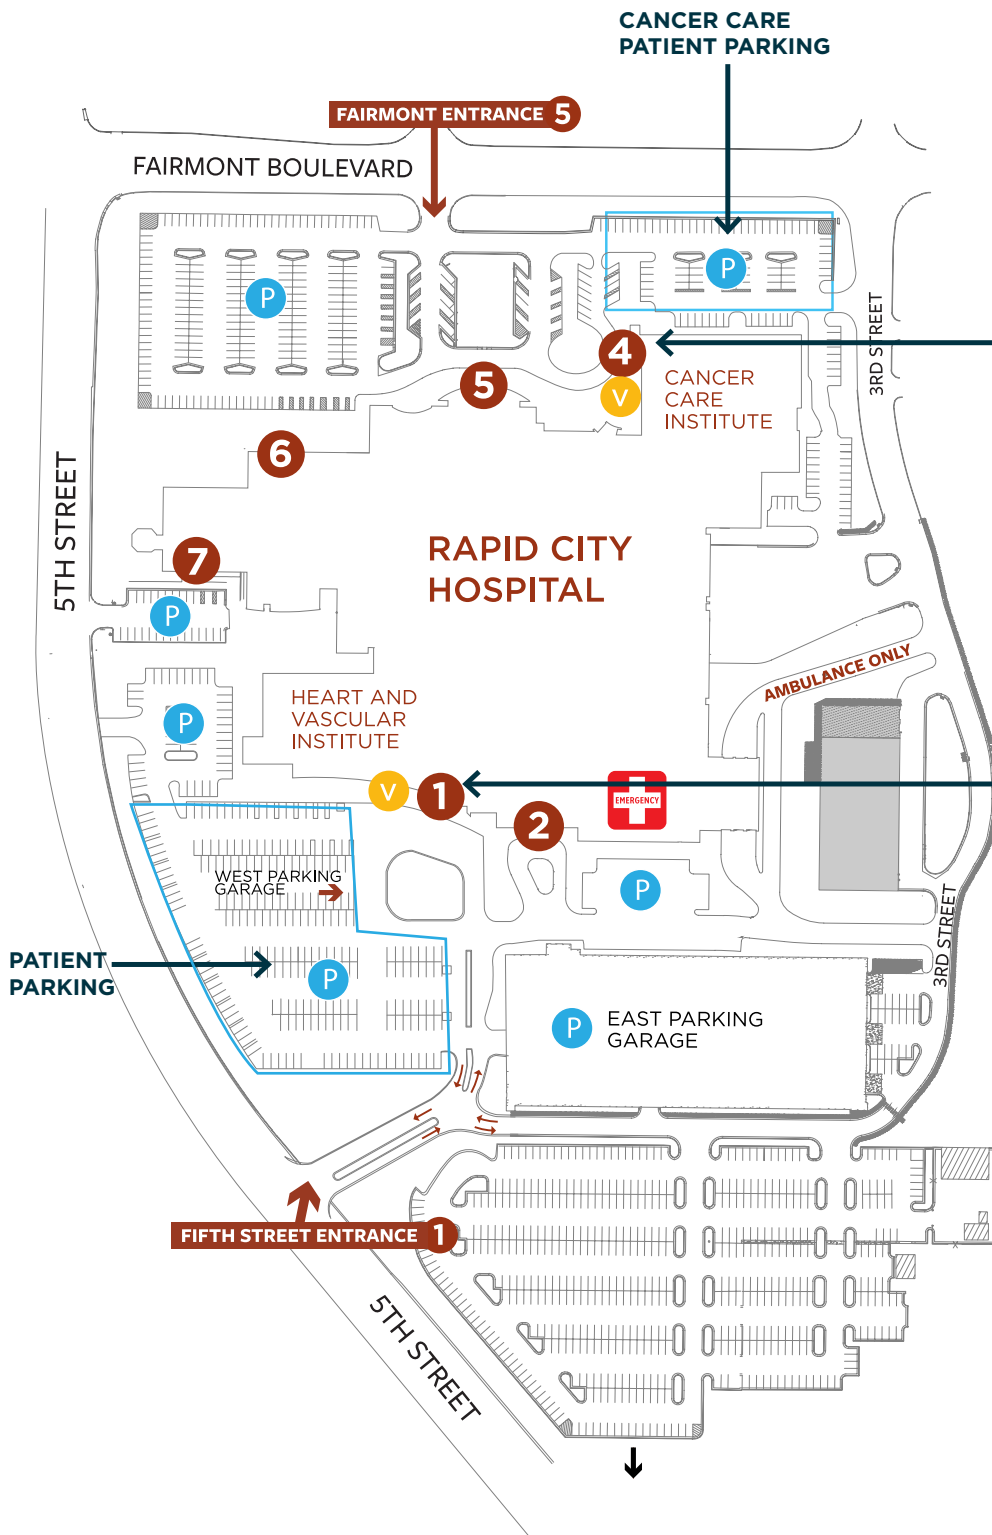

**Those with appointments in the new addition should use the Cancer Care Institute Entrance:**

- Radiation Oncology Clinic
- Infusion
- Radiation Oncology Treatments
- Wig Room
- Breast Navigator
- Lab (Available in both locations based on appointment type; if you are not sure ask your care team)

**Those with appointments at an alternate location in Rapid City Hospital should use the Fifth Street Entrance:**

- Medical Oncology Clinic
- Gynecological Oncology Clinic
- Lab (Available in both locations based on appointment type; if you are not sure ask your care team)

*See map on back for directions.*
