Participants must attend conference sessions and turn in their conference evaluation at the end of the program to successfully complete the continuing nursing education activity.

Recorded sessions will be available from October 31, 2023 to January 31, 2024. Participants who view recorded sessions must complete recorded sessions and turn in their conference evaluation to successfully complete the continuing nursing education activity.

Nurse Contact Hours will be available commensurate with the sessions attended both live and recorded:

- Part 1 (Morning Session 0800-1200)—3.5 contact hours
- Part 2 (Afternoon Session 1310-1700)—3.3 contact hours
- Entire Session (0800-1700)—6.8 contact hours

This nursing continuing professional development activity was approved by Montana Nurses Association, an accredited approver with distinction by the American Nurses Credentialing Center's Commission on Accreditation.

None of the planners or presenters for this educational activity have relevant financial relationships to disclose with ineligible companies except for speaker Dr. Ryan Gianatasio who owns stock in Insera Therapeutics. This relevant financial relationship has been mitigated.
