EVERY GIFT MAKES A DIFFERENCE

The Monument Health Foundation strengthens the health of our communities by building a culture of generosity. In partnership with Monument Health, we aspire to excellence in health care through gifts of engagement and purpose. We share the values of Monument Health and maintain a high level of accountability and dedication.

THE GREATNESS OF A COMMUNITY IS MOST ACCURATELY
MEASURED BY THE COMPASSIONATE ACTIONS OF ITS MEMBERS.

- CORETTA SCOTT KING

Our generous donors –

As we reflect on the past year, it's been a year of change for the Foundation team. I'd like to begin by thanking Angie Kliewer for her 26 years of service. We get updates from Angie periodically and she's enjoying the retirement she deserves. With this change, we hired a new Foundation Director, Hans Nelson, in February and he has built a fantastic team. Together, we've developed the work plan to support the year ahead – and beyond.

We've been working behind the scenes for the past few years to support two major capital campaigns and we made public announcements in May asking for community support to complete the campaigns. These are very important, and exciting, projects to support the communities we serve – the Rapid City Hospital Children's Expansion and the Spearfish Expansion. You'll read more about these projects in the pages that follow.

I'm grateful for the giving hearts of all our donors. Every gift really does make a difference in the lives of our patients and their families.

I'd also like to thank our Board Members for the time they dedicate to support our philanthropic efforts. They support us at events, in the community and by bringing new ideas and perspective to all that we do.

I look forward to a bright year ahead.

With sincere gratitude,

ROBIN ZEBROSKI
Chief Brand Officer

THE BEST WAY TO FIND YOURSELF IS TO
LOSE YOURSELF IN THE SERVICE OF OTHERS.

- MAHATMA GANDHI

Looking back over the past year, Monument Health's growth is remarkable. I am encouraged and grateful for the Monument Health Foundation Board who will help the Foundation raise funds for our Capital Campaigns: The Rapid City Children's Expansion and the Spearfish Expansion.

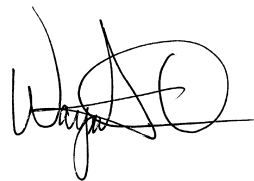

It is very important that the Foundation Board represent all Monument Health Markets. I am pleased to announce additional community members from Rapid City and Spearfish will join the Foundation Board in the coming year. We will also add health care providers to the board in the near future to ensure they are represented in our efforts.

I maintain my commitment as Foundation Board Chair to help the Foundation raise funds for generations to come.

Contributions from foundations, businesses, donors and friends enable Monument Health to purchase lifesaving equipment, improve facilities, enhance critical health care programs and develop educational and patient outreach support.

It is gratifying to see the diversity and far-reaching impact of purchases made with dollars donated by our generous communities. Every gift truly makes a difference and I remain committed to work with the Monument Health Foundation Board to make certain that all contributions are used wisely and appropriately.

Thank you for being a friend of the Monument Health Foundation - together, we are making a difference for generations to come.

EVERY GIFT MAKES A DIFFERENCE

Thank you for your ongoing support.

Through your efforts and generosity, we are able to make a difference every day. Your donations will be used to support, comfort, diagnose, care for and uplift our patients across Monument Health.

.....

CONTRIBUTIONS:

EVERY DOLLAR MAKES A DIFFERENCE

.....

At Monument Health we believe, “It starts with heart.”

.....

As the philanthropic giving department of Monument Health it's our duty to guide donors and host events that in return support our caregivers and physicians so they can do what they do best – save lives. Whether it's a tiny baby in the NICU, a mom who was just diagnosed with breast cancer or a grandfather who is a patient at Hospice House, we are honored to serve the people we support, and more importantly grateful for the individuals that believe in our mission and give back to something greater than themselves. We truly believe that **EVERY GIFT MAKES A DIFFERENCE.**

YOUR KINDNESS IN ACTION:

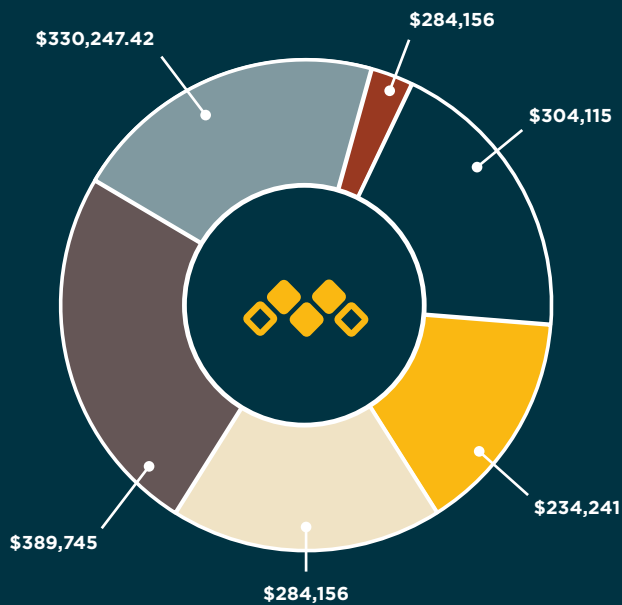

From July 1, 2021, to June 30, 2022, the Monument Health Foundation

HONORING THE LIFE AND LEGACY OF
DR. JULIE TODD RAYMOND

APRIL 13, 1964 - MARCH 17, 2022

.....

She was a healer,
who will never be forgotten.

.....

DR. JULIE TODD RAYMOND

specialized in breast surgery, focusing on providing comprehensive care to her patients. Her clinic was dedicated primarily to breast conditions, and she created BeYOUtiful Bratique (boutique) which provided tailored solutions to help restore the physical confidence of breast cancer survivors. She practiced breast and general surgery at the Rapid City Medical Center, LLP (since 2016). Dr. Raymond had been the Medical Director of the Monument Health Breast Care Center since July 2019, was a member of the American Society of Breast Surgeons, a Fellow of the American College of Surgeons, and a member of the Rapid City Regional Physicians Group.

Compassionate. Thoughtful. Respectful. Intelligent. Gifted. Whether you were a patient, family member or colleague, she always cared for you and about you as she practiced the art of medicine or even just as a friend. She had the ability to focus on each patient making her or him feel like the only one in the world. When you spoke and shared your concerns, she listened, and you felt heard.

Kind. Generous. Creative. Involved. Always placing a high priority on family, she made time to volunteer and be involved in family outings, music, sports, school activities, time in the water – boating when possible – and the community. She encouraged many to pursue excellence and use their talents to make the world better and more enjoyable.

Servant leader. Veteran. Humble. Friend to so many. “Dr. Julie” was a gift.

After Dr. Raymond’s passing, a memorial was established through the Monument Health Foundation to support the Cancer Care Institute (CCI) at Monument Health. The memorial raised just over \$19,000. It was decided to utilize these funds to not only create a program but also a physical monument to honor her dedication to the community and the cancer patients she supported.

Thus the Cancer Care Institute Breast Center of Excellence Fund was born. This fund will support the efforts for CCI to achieve accreditation from the

National Accreditation Program for Breast Centers. It will provide resources for an annual survivorship event, community screening support, genetic testing assistance and ongoing caregiver education, training and certification. Dr. Raymond dreamed of establishing such a program and thanks to the many donors, this dream is now coming to life.

In early September the Monument Health Foundation supported the installation of the very first CCI Healing Garden Wind Sculpture dedicated to Dr. Julie Raymond. The idea was inspired by Dr. Raymond’s love for sailing.

Patients and guests can witness the magic and beauty of this sculpture and remember a woman who dedicated her entire life to her patients, friends and family.

Julie Todd Raymond, M.D., was more than a physician who specialized in breast surgery.

She was a healer, who will never be forgotten.

MONUMENT HEALTH CANCER CARE INSTITUTE

.....

Maybe it's your mom or your best friend. Maybe it's your next door neighbor. Maybe it's your child's teacher. Maybe it's you. Cancer affects most of us at some point in our lives.

Since opening in 1993, the Monument Health Cancer Care Institute has provided care for thousands of patients providing inpatient and outpatient oncology services, supportive laboratory and imaging services, as well as services for related clinical research trials. They work to continually review and update techniques and technologies to provide leading edge cancer therapies. Your support and participation in foundation events throughout the year help with the cost of these technologies and serve as a thoughtful way to honor those members of our community whose lives have been impacted by cancer. We believe strong communication between cancer specialists, family physicians, referring specialists and supportive service providers results in optimal cancer care. We continually review and update our techniques and technologies to provide leading-edge cancer therapies. Our long-standing relationships with nationally renowned research groups allow us to offer some of the latest emerging therapies.

TOUGH ENOUGH TO WEAR PINK

The Tough Enough to Wear Pink campaign begins every year with a challenge to community businesses to prove they are Tough Enough to Wear Pink. T-shirt sales occur throughout the Black Hills and during the Black Hills Stock Show & Rodeo Rapid City. One hundred percent of proceeds are used in the Black Hills community.

RAISED

\$75,259

RUSH FIGHTS CANCER

Each year the Rapid City Rush Hockey organization selects a game to support the Monument Health Cancer Care Institute. Funds are raised through their specialty jersey auction, cash collection from fans and proceeds from chuck-a-puck sales. This great support from Rush Nation helps cancer-fighting efforts for thousands of patients in the Black Hills.

RAISED

\$19,931

TEE IT UP FORE CANCER

Held annually for the past 41 years, the Tee It Up Fore Cancer golf tournament, held at Arrowhead Country Club, is steadfast in its commitment to help fight cancer. One hundred percent of funds raised at this event benefit Monument Health Cancer Care Institute - helping all local cancer warriors in their fight.

RAISED

\$68,969

PAINT THE ROCK PINK

Created in 2008, Paint the Rock Pink is the premier ladies golf event held the second Tuesday of August at the Golf Club at Red Rock. One hundred percent of proceeds from this tournament benefit Monument Health Cancer Care Institute to support women in the fight against cancer.

SUPPORTING OUR KIDS:

WORTH ITS WEIGHT IN GOLD

.....

Having a family was always a dream for Amy and Jayna, but they knew it wouldn't be easy. In November 2015, they received exciting news that they were pregnant after a journey with in-vitro fertilization.

Little did they know they were going to have three miracles.

.....

Twins were common in Amy's family, so as the birth mother, Amy knew there was a possibility of multiples, but never imagined she would be the mother of triplets.

At 20 weeks, the pregnancy took a turn. Amy needed to have an emergency procedure which led to hospital admission followed by indefinite bed rest. At this point, it was important to reach 24 weeks when the boys would be viable.

At 24 weeks and two days, on March 30, 2016, Jayna raced Amy to the hospital. The boys were ready to join this world, and nobody could stop them. Amy had an emergency C-section and she and Jayna welcomed their three baby boys: Barrett (1 lb. 8oz.), Leighton (1 lb. 6oz.) and Jack (1 lb. 9oz.). The boys were all in serious condition, but Leighton was by far the most critical.

When Amy and Jayna saw them for the first time, they couldn't help but see how beautiful their boys were, despite the fact that they were surrounded by a number of tubes. The boys were the color of kidney beans and wore diapers no larger than a tissue travel pack. On April 2, at four days old, Leighton was called to be a guardian angel for Jack and Barrett. Amy and Jayna held him so tight as he left this world. Losing him was the worst pain imaginable, yet they knew they had to remain strong for Jack and Barrett.

The hospital discharged Amy and Jayna the following day. Leaving without Jack and Barrett, while also grieving the loss of Leighton was beyond frightening. The NICVIEW cameras, provided with funds from the Monument Health Foundation's Children's Miracle Network (CMN) program, offered comfort to Amy and Jayna, allowing them to see their babies from any device.

The following week, Jack was urgently transported by Life Flight to Sioux Falls for an emergency bowel surgery. Jack needed to stay in Sioux Falls while Barrett stayed in Rapid City, which led to Jayna and Amy splitting time to be with each of the boys.

The Monument Health Foundation's CMN Travel Assistance Fund provided Amy and Jayna money to travel back and forth across the state. They traveled to and from Sioux Falls for 53 days until Barrett needed surgery on his heart for a PDA ligation. Barrett was flown to Sioux Falls, joining his brother again in the NICU.

Shortly following, it was decided Jack also needed a PDA Ligation, so both underwent heart procedures on the same day. After breathing tubes were removed, Jack and Barrett were flown back to Rapid City. At this point, all they needed to do was eat, sleep and grow.

On June 27, 2016, at 37 weeks gestational age, Jack was able to go home. On July 19, after 111 days in the NICU, Barrett was able to go home with a feeding tube to use when needed.

After numerous surgeries, overcoming septic shock, learning to breathe, eat and swallow, and after being given only a 15 percent chance of survival, Jack and Barrett have proven to be true miracles. Amy and Jayna are amazed by them every day. They know their miracles wouldn't be here today without the amazing care, equipment and funds provided to their hospital. The Morrill family is deeply grateful for the Children's Miracle Network program at Monument Health.

CHILDREN'S MIRACLE NETWORK

.....

Founded in 1983, the Children's Miracle Network Hospitals network has grown to include 170 hospitals, caring for children throughout the United States and Canada.

Donations stay local to fund critical treatments, health care services and pediatric medical equipment. Monument Health is one of two South Dakota health care systems that are part of CMN Hospitals. Rapid City Hospital became a CMN hospital in 1989. In 2015, CMN began serving all Monument Health hospitals when the Monument Health Foundation became a systemwide foundation. The mission of the Children's Miracle Network program at Monument Health is to improve the lives of children in our region and "make medical miracles happen" by strengthening children's health care services through fundraising activities.

.....

MEDIATHON

Mediathon is an excellent platform for local media outlets to connect with both its audience and the community. Making a difference in children's lives is something that universally connects people. Participating in Mediathon is the bridge radio and tv stations have with their listeners that differentiates them from the competition.

RAISED

JULIE'S STORY:

REMEMBERING THOSE GOLDEN MOMENTS

.....

Julie Lantis was the epitome of
compassion and caring.

.....

Her warmhearted spirit was obvious to everyone who knew her. Her dedication and kindness impacted many patients, their families, her co-workers and friends.

Julie was the recipient of both the Prestigious Health Care Provider “Spirit of Healing Award” and the South Dakota State “Health Care Professional of the Year” award during her career.

Julie was born and raised in Yankton, South Dakota. She received her nursing degree from Mount Marty College in Yankton and began her career in nursing in 1961. After moving to Rapid City, she held several nursing roles, including roles with the Community Health Clinic, Rapid City Regional Home Health and Hospice of the Hills. Through many years of working in home health, she recognized that many terminally ill patients needed more services than home health could provide. She knew that a full team of nurses, physicians, social workers, chaplains and trained volunteers were necessary to meet the complete needs of patients requiring hospice care and their families. Julie, along with her supervisor Dodie Brown, were instrumental in the formation and implementation of Hospice of the Hills.

After her retirement from hospice, Julie continued her work as a compassionate and caring chaplain at local nursing homes. Until her passing in 2021, Julie remained committed to her ministry, providing spiritual support and loving care to many chronically and terminally ill patients.

Julie had a special love for bluebirds. In 2022 Julie’s family made a donation to the Hospice House to have two bird houses installed at the property. The bird houses were handmade and donated by family friend, Mr. Vern Ziebart. Our hope is whenever a bluebird makes one of them their home, it will serve as a reminder of Julie and symbolize her presence and eternal love for Hospice Care.

Julie was a loving wife, mother, grandmother and friend. She was an avid quilter, baker and bird watcher. Her most prized possessions were her family members. She will be missed by us all.

MONUMENT HEALTH HOME+ HOSPICE

.....

Monument Health Home+ Hospice programs provide compassionate, palliative and supportive care for terminally ill people with an end-stage disease process and limited life expectancy. Hospice offers physical, emotional and spiritual care for both the patient and his or her family.

Hospice is a philosophy of care that provides medical and supportive services to those who have a shortened life expectancy. These services are available for people of all ages. Donations to Hospice programs help purchase the needed equipment and patient comfort items in the Northern Hills, Southern Hills and Rapid City.

HOSPICE BALL

The Monument Health Foundation is proud to support Northern Hills Hospice and its commitment to making a lasting difference in the lives of our patients and families. Each year the Northern Hills Hospice Ball brings people together to enjoy an elegant dinner experience along with a night of ballroom dancing. Attendees can bid on a variety of silent and live auction items. The generosity of donors allows our compassionate caregivers to provide the highest level of care with dignity, honor and respect.

RAISED

FULL LISTING OF 2021-2022 DONORS

Beginning on this page and continuing throughout the report is a full list of our generous donors to the Monument Health Foundation for the fiscal year: July 1, 2021 to June 30, 2022.

The Granite Society: The Monument Health Foundation has created the Granite Society to recognize individual donors who have elected to include a Monument Health program in their estate plans or in a planned gift arrangement. A heart (♥) of appreciation has been used to designate our inaugural members and their legacy of support for our organization. If you have been thinking about Monument Health in your estate planning, let us know so that we may properly thank you in next year's report with your own special designation as a member of the Granite Society.

Every attempt has been made to list names correctly. If you have changes you would like made to your listing, please call 605-755-9191.
